EX-99 2 newsrelease.htm PRESS RELEASE

EXHIBIT 99.1

## United-Guardian Reports Strong Third Quarter Earnings

HAUPPAUGE, N.Y., Nov. 8, 2013 (GLOBE NEWSWIRE) -- United-Guardian, Inc. (Nasdaq:UG) announced today that net income for the third quarter of 2013 increased by 14% over the third quarter of last year, with earnings per share increasing from \$0.24 to \$0.28. Net income for the nine-month period ended September 30, 2013 increased from \$3,537,875 to \$4,183,980 when compared with the same period in 2012. This represents an increase of 18% over last year and a new nine-month record for the company. Earnings per share for the nine-month period also reached a record high of \$0.91, compared with \$0.77 for the first nine months of 2012.

Ken Globus, United-Guardian's President, stated, "We are very pleased to have attained this record level of earnings despite the fact that there were no sales of Renacidin<sup>®</sup> Irrigation, our largest pharmaceutical product, for the first nine months of 2013. This was due to manufacturing issues experienced by our Renacidin supplier. I am happy to report that those issues have now be rectified, and we have just received our first Renacidin shipment and have begun resupplying our distributors. We also benefited from increased sales of our personal care products, which made up for most of the shortfall that resulted from the loss of Renacidin sales. With the resumption of Renacidin sales, as well as continued strong demand for our personal care products, we are optimistic that 2013 will be a record year for profits."

United-Guardian is a manufacturer of cosmetic ingredients, personal and health care products, pharmaceuticals, and specialty industrial products.

NOTE: This press release contains both historical and "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These statements about the company's expectations or beliefs concerning future events, such as financial performance, business prospects, and similar matters, are being made in reliance upon the "safe harbor" provisions of that Act. Such statements are subject to a variety of factors that could cause our actual results or performance to differ materially from the anticipated results or performance expressed or implied by such forward-looking statements. For further information about the risks and uncertainties that may affect the company's business please refer to the company's reports and filings with the Securities and Exchange Commission.
